Care Instructions
Machine-washable in cold water, on delicate cycle, with like colors.
Use mild detergent. Do not use bleach. We do not recommend color safe bleach. Tumble dry low or line. Can be steam ironed on low setting, with a press cloth. Please be aware that color migration may occur if dark-colored fabric is combined with white or light-colored fabric. Dry cleanable by conventional methods (except for white and pearlized). Use #12 needles.
See website for more details on each style.
PLEASE ORDER SOON! Future availability of specific colors is outside of our control.

Note that we also carry a wide selection of buttons, wovenstretch gabardine, poplin, moleskin wovenstretch suede, silkies, crepe, linings, etc. to match Ultrasuede brand fabrics; as well as patterns, thread (over 600 colors), needles, interfacing, buckles, books and virtually every notion and fabric you may need. We carry over 10,000 bolts of fabric in every category!
