Sample sets are layered in the same order and frame as listed below
We suggest you number the back of each sample for your convenience.

Most fabrics are 45" wide, Ultrasuede Light Extra-wide 58" wide, Ultraleather which is 48" wide and Reinforced Ultraleather H.P. which is 54" wide, Milano H.P. is 60" wide. All fabrics may be dry-cleaned (except for white #001 and Pearlized Ultraleather) or machine wash warm water, tumble dry low. (except Pearlized Ultraleather - spot clean with mild soap and damp cloth.) When using Ultrasuede fabrics for applique or color blocking, be sure to pre-wash it to prevent dark dyes from running onto lighter colors. Use #12 needles. PLEASE ORDER SOON! Future availability of specific colors is outside of our control.

Note that we also carry a wide selection of buttons silkies, crepe, linings, etc. to match Ultrasuede brand fabrics; as well as patterns, thread (over 600 colors), needles, interfacing, buckles, books and virtually every notion and fabric you may need. We carry over 10,000 bolts of fabric in every category!
